Kelly,

We've taken a closer look at the comment codes and have some fundamental questions.

Ex. 5 Deliberative Process (DP)

From the FR notice:

The regulations establishing the requirements for the approval of state or tribal programs under section 404 of the CWA were published in the Federal Register, at 53 FR 20764, (June 6, 1988) (40 CFR parts 232 and 233), and can be accessed at <https://www.epa.gov/cwa404g/statutory-and-regulatoryrequirements-assumption-under-cwasection-404>.

Ex. 5 Deliberative Process (DP)

We found information on the State 404 Program here: https://www.flrules.org/gateway/View_Notice.asp?id=22931787. We note that it was already been out for public comment earlier this year.

Ex. 5 Deliberative Process (DP)

4. The FR notice says: The main statutory and regulatory authorities to administer and enforce the State 404 program can currently be found in the State's submission to assume the program and are available on FDEP's web page at <https://floridadep.gov/water/water/content/water-resource-management-rules>.

I know this covers a lot of details. Let me know if you would be easier to talk through.

Thanks, Joe

Hey Kelly, just following up on your initial code list. It sounded like this was a draft.
Have you all made any updates?
Thanks, Joe

Jan, Joe, Laura,

I've attached a rough first take on comment bins for coding. Please let me know if you need anything else at this time.
